Possible Problems with Venn Diagram

Narrative: Different Structure

Poem: Different Structure

"mother's disappointed face"

"something inside me began to die"

"I looked at my reflection...angry, powerful"

"I won't let her change me...I won't be what I'm not"

"At last she [mother] was beginning to give up hope"

Problem:

All are quoted evidence from the text, but the main categories aren't listed.

Same Viewpoints

- 1. Mothers' goals
- 2. Adult responsibilities
- 3. Characters of daughters are different

Problem:

- 1. First two are part of the same category.
- 2. Third one is not explained.

The goal is seemingly simpler, but the mother leads her daughter into new territory.

Mother does not take into account the daughter's wishes.

Problem:

The main categories are stated, but there is no quoted textual evidence.
